

Adventure Teaching's Visa Process Checklist

For Citizens of:

UK

ADVENTURE
TEACHING INC

Let's Get Started!

- ☞ Once in Korea, all teachers must conduct a blood and urine test that will screen for illegal drug use and other diseases. If illegal drugs (including Marijuana) are found, the teacher will not be issued their Alien Resident Card (ARC), and will be sent home at their own expense. If you have any concern about passing the screening, please inform Adventure Teaching and get tested before leaving.
- ☞ Remember that gathering the visa documents in a timely manner is your responsibility as an applicant of Adventure Teaching. Save yourself and us time, frustration, and finances by working through the process diligently and carefully.
- ☞ It is important to check the website of your nearest Korean Consulate often for visa updates, working hours, and fees.

Important notes when sending documents:

- Always get a tracking number for your packages**
- Never send your documents INTERNATIONALLY through the National Postal Service. Use a reputable courier, preferably FedEx, DHL, Purolator, UPS. Using the national postal service can potentially cause severe delays and lost documents.

NOTES AND UPDATES:

VISA PROCESS TIMELINE

It **usually** takes about 30-40 days to complete the visa process **after** the applicant has gathered all of their **red documents** and signed a contract with a school. If the process is rushed, things can potentially be completed a few days faster; but it is always best if you can have your documents gathered ahead of time to save yourself, Adventure Teaching, and your school unnecessary stress. Priority is given to applicants who diligently complete the process.

The following chart lets you know when you will need to have all of the required documents ready to send to Korea, to be eligible for a specific start date.

HIRING SEASON (Arriving in South Korea)*	BEGIN GATHERING RED VISA DOCS	HAVE RED VISA DOCS READY (AT THE LATEST!)	INTERVIEWING WITH SCHOOLS IN SOUTH KOREA (GATHERING BLUE VISA DOCS)
FEBRUARY	OCTOBER 1	DECEMBER 1	DECEMBER- JANUARY
MAY	JANUARY 1	MARCH 1	MARCH - APRIL
AUGUST	APRIL 1	JUNE 1	JUNE - JULY
NOVEMBER	JULY 1	SEPTEMBER 1	SEPTEMBER-OCTOBER

**For the hiring seasons, most positions start near the middle of the month. However, be prepared to leave for training at the beginning of the month.*

NOTE FOR OTHER START DATES NOT LISTED: Jobs are available in between these hiring seasons, there are just not as many available. If you are aiming for a date that is outside a hiring season, then you should aim to have your **Red Visa Docs** ready **2 months before** your estimated start date.

Date I should have my required red documents ready to send: _____

How long does it take to gather the required visa documents?

This really depends on how long it will take the authorities to complete your Criminal Background Check. It also depends on your location and how ambitiously you pursue the visa process. Another factor to consider is whether you will be completing the process in person or by mail. When completing the process by mail it adds significant wait times.

In the UK, it usually takes up to 6 weeks to attain a Criminal Record Check (CRC).

The documents that typically take the most time and effort to prepare are:

1. Your passport (should be valid for at least 6 months beyond your proposed arrival date in Korea)
2. Your diploma copy with notarization and apostille*
3. Your nationwide Criminal Record Check with apostille
4. Sealed transcripts**

**Apostille: A French word which means ‘a certification.’ It is commonly used in English to refer to the legalization a document for international use, under the terms of the 1961 Hague Convention. Documents which have been notarized by a notary public and certified with a conformant apostille are accepted for legal use in South Korea.*

***Transcripts: You will submit sealed transcripts to the Korean Consulate in your jurisdiction later in the process (more info on page 5). Some Consulates no longer require transcripts; be sure to contact your Consulate to find out.*

Because these documents take the most amount of time to gather, you’ll want to start gathering them first. Please notice the estimated time requirements beside each step of the process below.

Lastly – in an effort to keep the details of the visa process up to date, the AT staff updates this document regularly. Korean immigration and Korean Consulates often change things, and we do our best to stay up to date with their regulations and changes. Please read this PDF in depth, and keep it close for reference throughout this process.

And if you don’t read anything else, read this: Korean Consulates in the UK frequently change their verification and visa processes. It is **your responsibility** to call the Consulate in your jurisdiction to ensure that you have the proper documents, the correct amount of money, the accepted method of payment (money order, cash, etc), and the accepted mailing method (UPS, FedEx, etc). Please make a habit of calling your Consulate **before** sending in your Blue Documents.

STEP 2

After you've gathered them, **EMAIL YOUR VPE**, and then send the **RED** documents to the Adventure Teaching office in Korea.

Important: Send with FedEx, UPS or DHL and be sure to get a tracking number. Make sure that you ask how long it will take. It should take no longer than 3-5 days.

DO NOT send with the regular mail service as this may result in extreme delays or loss of documents.

Adventure Teaching Korea Office: Mailing Address

**Adventure Teaching (C/O Dok Hoon)
#113 Namsan Jeongeun Sky Officetel,
56 Dasan Ro, Joong Gu, Seoul, Korea 04597
(Phone: 02-6271-0242)**

***NOTE:** Steps 3-10 don't happen until **AFTER** you've signed a contract with a school in Korea. **Your priority right now? Gather the red documents and get them to the AT Korea office ASAP!**

Once your red documents are in Korea, it's simply a matter of waiting for a school to offer you a position. After you sign a contract, you'll need the **blue** documents right away... make sure they're ready!

STEP 3

After you have signed a contract with a school in Korea, your school will submit your **red** documents to Korean Immigration (immediately). Your **red** documents will already be in Korea, and your **blue** documents will be with you at home.

STEP 4

Korean Immigration will issue you a **VIN (Visa issuance number)** which will be sent to Adventure Teaching (10-15 days). Adventure Teaching will notify you **ASAP** when we have this information.

- ✓ The VIN is a simple number that will be added to your E2 Visa Application form.
- ✓ Please have all the **blue** documents ready and waiting! As soon as we receive the VIN, you'll write it on the E2 Visa application and proceed to Step 5.

STEP 5

Write the VIN on your E2 Visa Application and deliver your completed **blue** documents to the nearest Korean Consulate. You have two options:

- #1:** Bring your documents in person (2-5 days). ***recommended***
- #2:** If you do not live within driving distance to the Korean Consulate you will need to send your documents expedited via DHL, UPS, FedEx, etc. Include a return envelope with a tracking to be sure your documents won't be lost in the mail (4-12 days).

→ **Visa Fee:** Fees differ at each Consulate; please check your [Consulate's website](#). Fees usually range from £80—£155.

Ideally you will want the multiple entry visa, as this allows you to travel outside of the country during your year stay. However, some consulates do not issue multiple entry visas from your home country. If you have to get the single entry, you can always apply for the multiple entry once you are in South Korea. It is not a difficult or lengthy process.

→ **Tip:** We recommend calling the Consulate just to confirm which documents you will need to complete the process. When you have delivered your documents, please ask them when they expect your visa to be complete.

STEP 6

The [Korean Consulate](#) will put the visa in your passport (2-15 days).

STEP 7

Notify your placement coordinator ASAP when you have your visa in hand.

STEP 8

Adventure Teaching will communicate with your school and our travel agent to reserve your flight and solidify your departure date.

- ✓ 2-4 days before you leave, AT will send you an Arrival Info email. Please read it thoroughly!

STEP 9

After you arrive in Korea, your school will help you arrange your medical exam (which you will need to apply for your Alien Resident Card).

- ✓ The medical exam must be completed within 90 days of arrival, but will likely be performed with the first couple of weeks.
- ✓ The exam will be performed at the nearest hospital, which your school will help you find. It costs between £50-75, which you will be responsible to pay for.

STEP 10

After the results of the medical exam are returned to you (3-4 days), your school will help you file for your Alien Resident Card (ARC).

- ✓ You will visit the nearest immigration office to apply. You will need your passport, health test results, and 10,000KRW processing.
- ✓ IMPORTANT: ask the immigration office to give you 1 verified copy of your degree and 1 verified copy of your Criminal Record Check. They have these on file, and should be able to give the verified copies to you right there.

How to prepare your **Bachelors Diploma** for Korean immigration

Step 1: a local notary public makes a copy of your diploma

Step 2: the notary public will notarize the copy

Step 3: get an apostille attached to the notarized copy

IMPORTANT NOTE: As of January 1st 2011, Korean immigration will no longer accept original diplomas, they will only accept copies of diplomas that have been notarized and have an apostille attached. They will also accept Masters diplomas in place of Bachelors diplomas. **However, they will not accept any other substitute for a Bachelors diploma.** You do NOT need to get your Masters diploma or TEFL certification Notarized or Apostilled unless your Masters Degree is the substitute for your diploma.

How to notarize your diploma:

1. **Locate a notary public.** This can be completed with a simple web-search.

Have them make an official copy of your diploma.

- **Tip:** ask your University if they are able to perform a notarized copy of the diploma for you. Universities often have notaries present and can complete the process with little confusion for a small fee.

2. **Notarize the copy.** The notary *might* have you sign the copy and then they will sign the copy and notarize it. This form of notary is often referred to as a "JURAT" or "VERIFICATION"

3. After having the copy notarized, you will need to have an **apostille attached**.

How to apostille your diploma: your documents should be **apostilled** by the [Legalisation Office](#) (FCO).

How to prepare your **Criminal Record Check** for Korean immigration

→ **Don't Miss This: You must send your original CRC to Korea!**

Order 1 nationwide Criminal Record Check (CRC) from the [Disclosure + Barring Service](#) (DBS). *Have it notarized and have a federal level apostille attached.*

- ||| The check must be a nationwide check issued by a government office.
- ||| Korean immigration will not accept any CRC's that are more than 6 months old.
- ||| The original CRC must be submitted to Korea, not just a copy of the CRC.
- ||| ***This process can take up to 40 days in the UK – submit your application ASAP!***
- ||| **Occasionally check with the DBS to make sure your application is being processed** – you'd be amazed how these little things can slip through the cracks and get lost.
